

A vision for recovery and hope for Jurjen

Make rehabilitation in Jerusalem possible

Once, Jurjen had everything going for him. And then his life was changed in an instant. At the end of 2017 the creative, energetic entrepreneur, husband, and father lost most of his sight, memory, concentration, and orientation due to a serious brain injury. From one day to the next, Jurjen's life had completely crumbled. Every day has become a struggle.

There are no more effective rehabilitation facilities for Jurjen in the Netherlands, but there is still hope! There is a specialized rehabilitation center in Jerusalem that offers hope for Jurjen's progress. Jurjen is eager to go to Jerusalem, but his family cannot afford to pay the high costs of the rehabilitation process on their own.

That's why we are asking you to make a donation to help send Jurjen to Jerusalem. This is a way to help make life a little easier for him and his family.

Spend a Day with Jurjen in Jerusalem

Each day the cost of rehabilitation and stay in Jerusalem is €575 euro (\$650 USD). If you are able to make one day possible, then at the end of the day you will receive a video from Jurjen, detailing his day. In this way you can spend a day with him.

We need to raise a total of **€ 28.500 euro (\$ 32.092 USD)** which includes plane tickets, rehabilitation, and costs of stay.

One week of rehabilitation	€ 2,434 euro (\$ 2,741 USD)
One day of rehabilitation	€ 486 euro (\$ 547 USD)
One day eating/sleeping costs	€ 85 euro (\$ 96 USD)

Please help us. Every donation is welcome and received with gratitude and love.
